# Dance inspires wellness, connections to others, confidence in one's ability and the courage to imagine a brighter future.

Queensland Ballet offers rich learning experiences and resources for students and teachers which encompass the far-reaching and significant benefits of dance.

In 2019, kindergartens and schools across Queensland and beyond can engage in our extensive annual program to learn, create and communicate through dance.

## In-School Workshops

Inclusive and inspiring dance workshops for all ability levels from Kindergarten to Year 12. Delivered at your school by our highly experienced EdSquad teaching artists, QB workshops cover a range of learning outcomes in Literacy, STEAM and Humanities and Social Sciences.

### Ballet Moves

#### KINDERGARTEN, PREP – YR 2

Movement concepts are introduced in a playful and creative way through exploration of an Australian story, igniting imaginations and bringing the narrative to life.

### Moving to Learn

#### YR 2 – 6

Learn the basics of coding through dance. This workshop explores connections between how we can program a robot and how we can instruct, or choreograph, our bodies to move.

### Nutcracker Repertoire

#### YR 3 – 6

Based on the much-loved ballet *The Nutcracker*, students will learn adapted repertoire from Ben Stevenson's production to experience cultural dance.

### Ballet History and Technique

#### YR 7 – 10

The history and evolution of ballet will be incorporated into the teaching of this class, culminating in learning repertoire from different eras.

### Partnering

#### YR 7 – 10

Students will be guided through basic partnering skills that are then integrated into the learning of a duet from a contemporary ballet.

FREE workshops are offered to schools on our 2019 regional tour in the following locations\*: Barcaldine, Bundaberg, Cairns, Chinchilla, Emerald, Gladstone, Gold Coast, Longreach, Mackay, Maryborough, Mount Isa, Rockhampton, Roma, Stanthorpe, St George, Toowoomba, Townsville and Warwick.
